## **ADDENDUM No. 2 to REQUEST FOR PROPOSALS**

Goat Curve MP 14.1+  
September 29, 2008

### **INTRODUCTION**

This Addendum No. 2 is a supplement to and shall be a part of this Railroad's Request for Proposal, dated September 8, 2008, with respect to the subject project.

All proposal shall make reference to this Addendum No. 1 & 2 as acknowledgement that the items contained herein are incorporated.

### **WORKSITE ACCESS**

The Railroad is finalizing arrangements to provide on-track access through the private siding at the industrial plant at 55 River Road. The siding is approximately 200' long in pavement. Track and asphalt surface is in rough condition, but serviceable. Facility is secured with a chain link fence.

Contractors will be able to put track equipment on/off track at this location, park vehicles, transfer materials from truck to on-track equipment, secure on-track equipment on site overnight, and may be able to stage a limited amount of materials on site.

The Railroad will cover the cost of the siding and access from October 27, 2008 through November 26, 2008.

Contractor shall cover the cost of the siding and access from November 27, 2008 until all equipment and materials are cleaned up to the satisfaction of the industrial plant, and no later than December 31, 2008, at a cost of \$250 per week, or part thereof.

Contractor shall name the industrial plant as a named additional insured on the same certificate as the Railroad, and shall hold the Railroad and the industrial plant harmless for any claim or loss which occurs in conjunction with use of the siding and access.
